At first it was a Christian plot!

It did not stick...

Then it was a Hindu-Jewish plot!

It did not stick...

Sorry, it was a Communist plot!

It did not stick...

Very sorry-lah - it is a Foreign plot!

It did not stick...

And, the People asked – What else?

So in panic, “they” run to the Raja!

The Nation waits with bated breath...

Will the “Walk for Democracy” become a stroll?

Or will it be the beginning of another “plot”?
