The song was composed a night before. It was for Malaysia from the heart of an Anak Bangsa Malaysia. On July 4, 2009 singer-songwriter Black first performed this acoustic piece alongside Meor in front of a packed Kajang crowd at the Dewan Cempaka.

You can hear the song [here](#). The event, dubbed Malam Seni Rakyat, featured literary figures including Samad Said.

On September 16, Black will do this again.

Time and place? Stay tuned here.
