***“Being stateless is like being a ghost – one that people can see, but can’t truly see.”
- Akasha, Stateless person***

IS MALAYSIA ABOUT TO MAKE STATELESSNESS WORSE?

Civil society celebrates the government’s steps to grant citizenship to kids born overseas to Malaysian mothers. Yet, hidden within these amendments are ‘surprises’ that could worsen statelessness. How will this affect us and do they truly have the best interests of the children at heart?

Watch the video and decide....
