

RE-INTRODUCTION OF LOCAL GOVERNMENT ELECTIONS IN MALAYSIA

Local Government elections that was part of our democratic system was suspended in 1965!

Without a doubt the lives of Malaysians on daily basis is determined by governance at the local level. Policy decisions made by nominated (unelected) officials have a huge impact on all of us wherever we live!

The case for representative democracy and the demand for good governance via elected local authorities has been made by Civil Society for decades....

This comprehensive research Report commissioned by **Bersih 2.0** and authored by **Danesh Prakash Chacko** presents the case for re-introduction of local government elections.

The report is available for download at link below..
